As almost everybody that is going to be part of the post-conference tour will be departing from OR Tambo, and Citybug has a regular bus service going there, we are hoping that they can give us a ride from Kaapsehoop to JHB (This will of course be a separate issue, and individuals must buy tickets). We will however need a quote from them.

R15200 to book the whole bus for OR Tambo or R600pp to travel to OR Tambo.
